Dear Members of the Association Friends of Miftanim,

I wish to congratulate you and express my support to you in the important mission which you carry out throughout the year, for the benefit of youth at risk, at the MIFTAN and MEITAR centers.

At the helm of the Social Affairs and Social Services Ministry, which set to itself the goal of increasing its intervention securing a better future for children and youth at risk and in crisis, let me say our Ministry welcomes any party partnering with us in implementing this goal.

The spirit of volunteering and contributing to the community, instilled among the Members of the Friends of Miftanim, is an example and a symbol of the social solidarity we all are in need of. The Members of the Association are true partners in promoting these youth, who were not so fortunate, and greatly assist them in boosting their self-confidence, their belief in themselves and in the world of adults.

I wish you great success in your fruitful future endeavours.

Sincerely,

Yitzhak Herzog
Minister of Social Affairs and Social Services
